

# 2019 SENIOR ALL NIGHT PARTY

The Senior All Night Party is not only a tradition but a safe way for our graduates to celebrate their accomplishments! Your graduate will not want to miss this year's event! We ask for a contribution of \$25 per student.

Parent volunteers are what make this event successful. Please consider donating your time and resources! Please email, call, or return the information below to the high school (see address to the right.) Also check our website for more information! [www.hhssanp.com](http://www.hhssanp.com)
